Detach here

For over ten years we have worked tirelessly to deliver the range and calibre of classical events our dedicated audiences have come to expect and rightly deserve.

We passionately believe that Perth's classical offering is amongst the best and our ambition is to sustain and develop the programme for future generations of classical music lovers.

Nevertheless, with public funding of the arts continuously decreasing and ticket sales covering only 50% of our costs, we cannot achieve all of this without your help.

A personal invitation
from Creative Director
for classical music,
James Waters

Dear supporter,

I hope you will agree that over the past ten years we have presented a dazzling collection of concerts by many of the world's leading musicians to inspire, entertain and delight you, our classical music lover. At the same time, with our commitment to nurturing talent, we have introduced the artists of tomorrow. The fine array of performers who have connected with Perth over the past ten years is truly remarkable and provides a powerful illustration of our impact on the classical music scene both nationally and internationally.

We hope, like us, you have been enthralled by James MacMillan's Oboe Concerto by François Leleux, captivated by Olli Mustonen's Violin Sonata performed with Pekka Kuusisto and mesmerised by the Pulitzer Prize-winning Little Match Girl Passion, co-commissioned with New York's Carnegie Hall. Or perhaps you have been enchanted by repeat performances by Nicola Benedetti, delighted by visits from Alison Balsom or awed by the exceptional talent of Mitsuko Uchida.

Like so many other cultural organisations of our stature, we recognise that the personal support of loyal audience members is key to securing our ambitious classical music projects. This is why for the first time ever we are asking you to support our notable work. We are relying on your support to guarantee another ten years of artistic excellence and innovation.

To this end, I am delighted to personally invite you to join our new patron scheme, Accelerando. With levels of support to suit all pockets and a range of corresponding benefits and events, becoming a patron is a simple and rewarding way to help secure the future of classical music at Perth Concert Hall.

There is no doubt that you are our most valuable asset and you really can make all the difference. **Thank you.**

Yours sincerely,
